ASSIGNMENT

For good and valuable consideration paid to us, Isabella A. Atencio, residing 7873 Avenida Navidad #261, San Diego, California 92122, Drake M. LaFace, residing at 8989 Scorpius Way, San Diego, California 92126, Muralidhara Ramachandra, residing at 14536 North Church Square, San Diego, California 92128, and Paul W. Shabram, residing at 149 Peppertree Lane, Olivenhain, California 92024 by Canji, Inc., a corporation organized under the laws of the State of Delaware, United States of America, having its principal office at 3030 Science Park Road, San Diego, California 92121, United States of America, (hereinafter called "Assignee"), we do hereby sell, assign and transfer to said Assignee each of our entire right, title and interest in all countries of the world in and to any and all of my inventions and discoveries in:

Calpain Inhibitors and their Applications

as described and/or claimed in the patent applications identified as:

- a) United States Patent Application to be filed on October 15, 1998, attorney docket No. CJ-0897-US, and
- b) United States Provisional Patent Application to be filed on October 15, 1998, 1998, attorney docket No. CJ-0897P-US;

in and to the right to file patent applications in the name of Assignee, its designee, or in any or all of my names, at its election, on the aforesaid inventions and discoveries in all countries of the world, together with all rights of priority in the aforesaid countries deriving from the above-identified patent application under the International Convention for the Protection of Industrial Property, under the Inter-American Convention relating to Inventions, Patents, Designs and Industrial Models and under any other international arrangement to which the United States now is or hereafter becomes a signatory, in and to any and all Letters Patent that issue on any of the aforesaid patent applications, and in and to any continuations, divisions, reissues, renewals and extensions thereof of any of said Letters Patent, the same to be held and enjoyed by said Assignee, its successors, assigns and other legal representatives, to the full ends of the terms for which a Letters Patent therefor may be granted, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

And we hereby covenant and agree that we will at any time, upon the request and at the expense of Assignee, execute and deliver any and all documents that may be necessary or desirable to perfect the title to the foregoing inventions and discoveries, patent applications, and Letters Patent and continuations, divisions, reissues, renewals and extensions thereof in Assignee, its successors, assigns or other legal representatives, including the execution and procurement of any

and all further documents evidencing this assignment and sale as may be necessary or desirable for recording the same in the Patent Office of any country concerned, and that we will, at any time, upon the request and the expense of Assignee, execute any additional or divisional applications for patents for said inventions and discoveries, or any part or parts thereof, and applications for patents of confirmation, registration and importation based on said Letters Patent and on Letters Patent issuing from said additional or divisional applications and reissues, renewals and extensions therefor, and will make all rightful oaths and declarations and do all lawful acts requisite for procuring the same or for aiding therein, without further compensation, but at the expense of Assignee, its successors, assigns or other legal representatives.

We hereby authorize Assignee to insert in this instrument the Application Number and the filing date of said application when officially notified thereof.
